

*Our many thanks and Gratitude to ATP
For all of their support and kindness
In sponsoring this Celebration
Of the life of Geriann Henderson*

*It goes far beyond duty
This is support of a young woman
Who walked the talk, wanting
ALL to be better than they ever thought
Possible.*

This Memorial is to celebrate
The full and wonderful
Life of Geriann Henderson.

She was a lovely young lady
Who loved life and lived it
in the 10's.

The moments that took
Her breath away were the
moments she sought daily.
The photos of the sunrise, sunset,
The Angel in the clouds seen
while flying, skiing, running.
The beauty of our world.
Geriann loved her job, her friends,
her critters and her family.

Take away the thought that
to live a worthwhile life one
should give it all their energy.
Do be kind, reach out to assist
others in life. Show people you care.
Look at the risks in living well.
Manage those risks.
Learn from others, don't feel you
have to do all from ground zero.

Acknowledge, trust and love your
God.
